Chairman's Message

Smt. Manju Shrivastava

This esteemed institute operates under the Public-Private Partnership (PPP) model, in collaboration with Prerna Engineering Education Group Pvt Ltd. With a strong emphasis on industry linkage. This institution has fostered relationships with over 500+ industries across India. Join us as we delve into the Chairman's message for Government Polytechnic College – Banshdeeh (Ballia) and explore its incredible journey towards excellence in technical education. Emphasizing on collaboration between academia and industry, the we encourage students not restricted to theory but also to embrace real-world experiences through internships, workshops, and industrial visits. This unique approach ensures that graduates are well-prepared for the challenges of today's competitive job market.

Vision

To empower young generations for substantial contribution to economical, technological & social progress of the society Nationally.

Mission

To contribute to the development of human resources in the form of professional leaders of the global cadre and to develop the holistic personality of the learners.

ABOUT US

Government Polytechnic Banshdeeh, Ballia, established in 2024 by the Prerna Group of Institutions, is dedicated to providing quality technical education and skill development to students. The institution offers diploma courses in Mechanical, Electronic & Communication, Computer Science & Engineering, Fashion Design & Garment Technology and Post Graduate Diploma in Sales & Marketing, supported by state-of-the-art laboratories for hands-on learning. With experienced faculty and a commitment to fostering innovation and excellence, Government Polytechnic Banshdeeh, Ballia prepares students to meet the demands of the ever-evolving technological landscape. Our holistic educational approach aims to shape the future of our students and contribute to technological advancements in society.

Prerna Engineering Education Group Pvt Ltd is registered Under Company's Act 1956 on 25 August 2012 and has a registered office at Sonipat Haryana & Corporate Office in Noida Electronic City.
