Chariman's Message

This esteemed institute operates under the Public-Private Partnership (PPP) model, in collaboration with Prerna Engineering Education Group Pvt Ltd. With a strong emphasis on industry linkage, this institution has fostered relationships with over 700+ industries across India.

Join us as we delve into the Chairman's message for Government Polytechnic College Ballia and explore its incredible journey towards excellence in technical education. Emphasizing on collaboration between academia and industry, we encourage students not restricted to theory but also to embrace real-world experiences through internships, workshops, and industrial visits. This unique approach ensures that graduates are well-prepared for today's competitive job market challenges.

About Us

Government Polytechnic Banskdeeh, Ballia, was established in 2024 by the Government of Uttar Pradesh and is operated by the Prerna Group under the Public-Private Partnership (PPP) model. Our College is dedicated to provide quality technical education and skill development to students. The institution offers Diploma courses in Mechanical Engineering, Electronics and Communication, Computer Science, Fashion Designing and Garment Technology and Post Graduate Diploma in Sales and Marketing, supported by state-of-the-art laboratories for hands-on learning. With experienced faculty and a commitment to fostering innovation and excellence, Government Polytechnic Banskdeeh, Ballia prepares students to meet the demands of the ever-evolving technological landscape. Our holistic educational approach aims to shape the future of our students and contribute to technological advancements in society.

Prerna Engineering Education Group Pvt Ltd is registered Under the Company Act 1956 on 25 August 2012 and has a registered office in Sonipat Haryana & Corporate Office in Noida Electronics City. Over the past 12 years, we have trained & placed more than 1L+ aspirants under various Government schemes in association with the MSDE & MHRD.
